4/29/2018	Cat Fiscus	Linda Stanger

***Thank you all for helping our young families! This is a very important ministry, of which we are asked to care for our young families' precious members. Please remain at the nursery for the full worship time, even if no children are present. Some families will only use the nursery in the event their children become unsettled during the worship.***

If you are unable to fulfill your scheduled day, please find a replacement prior to the day of worship.
