Motivation to Keep Moving Forward - Hebrews 11:1-12:3

Traveling: we want to experience more of what the world has to offer

People want to go because they have read in a book or see a photo

Example: 8th grade seeing the plaza in Mexico City

Even though you think you are sitting still you are moving

67,000 mph orbiting the Sun

514,000 mph the solar system orbiting Galaxy's center

Max Scheler and Ernest Becker Quotes: Journey toward death

Psalm 89:48 Death seems to speak the last word.

Grenz: Understand death in light of Jesus

The Hebrew writer contradicts this perception

The "Witnesses" and Jesus sets the example: Enduring

Living to Honor God often looks foolish and shameful

Death does not have the last word 2Tim 1:10

Faith: Taking God at His word and living accordingly

What hinders and entangles your life today?

You are impacted by the past but you don't need to be defined by it

You are impacted by fear but it does not have to control you

Define the weeds that hinder and easily entangle you from journeying
well Today

Increase you Spiritual Vision

Isaiah 25:1-9
